This screenshot shows the Mapa-mapy.sk website with a different map view, focusing on Slovakia and Hungary. The search bar and navigation links are still present. A prominent advertisement for O2 mobile phones is displayed on the right side. The ad features three phone models: Motorola Defy mini, Samsung Galaxy mini 2, and Samsung Galaxy S III. Each phone is shown with its price in a red circle: 23€ for Motorola, 2€ for Samsung Galaxy mini 2, and 416€ for Samsung Galaxy S III. The ad also includes the text "Telefóny s novým O2 Paušálom a bez viazanosti" (Phones with new O2 flat rate and no commitment). Below the phone images, there are buttons for "Viac ponuke" (More offers) for each phone. At the bottom of the ad, there's a "Skryť" (Hide) button. The map in the background shows various cities in Slovakia and Hungary, with a search bar and navigation links at the top.
